All our youth & children's workers are DBS checked for your child's protection and safety. **If you have young children** please feel free to take your children to the Creche area at the back of church, near the sound desk (ask if you can't see it). Children are important to us at St. Mark's and we want them to be happy. Please feel free to let them play quietly in the Creche; **we just ask that you stay with them and leave the area tidy!**
