

*Update from Katy Barnwell, October 1, 2018*

Dear praying friends,

Warm greetings! A short update this month: Please keep praying for wisdom and perseverance as I push to complete the final editing for the new edition of the *Bible Translation* training manual, and work on updating the "Teacher's Notes" that accompany this manual. Continue to pray for:

- patience in checking details of consistency in formatting;
- wisdom and insight to see any errors and anything that could be better worded or illustrated;
- physical strength and alertness (long hours working on a computer);
- and just the ability to finish this task well so that the manual will be as helpful as possible in training those who are translating into their own languages worldwide.

Also, Ernest Ebak, as leader of the Mbembe Old Testament translation, is scheduled to travel in November to participate in an important workshop on translating Psalms, to be held in Israel. He still needs a visa - pray this will come through soon.

Appreciating your prayer partnership! Love and blessings,
